Subject: Inquiry Regarding SOS Marks Discrepancy

I hope this email finds you well.

I am writing to respectfully inquire about a discrepancy I have noticed between my Blackboard Gradebook and the SOS system for ICE362S [IOT].

According to my Blackboard Gradebook, my current standing is approximately 80%, which reflects all the submitted work to date. However, when I check the SOS system, it shows 0 marks for this subject.

I understand that you mentioned marks have been uploaded, and I wanted to bring this discrepancy to your attention. Could you please advise if:

1. There might be a technical issue or delay in the marks reflecting on SOS
2. I need to take any specific action from my side
3. There are any outstanding requirements I may have missed

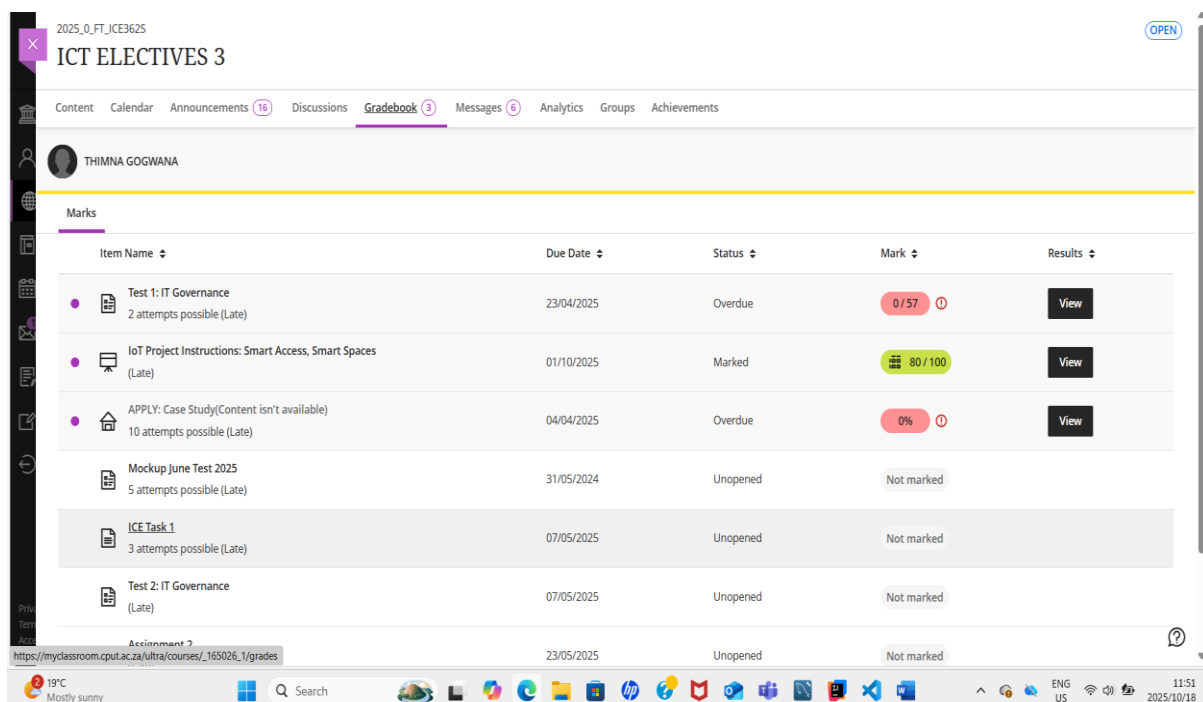

I have attached screenshots of both my Blackboard Gradebook and SOS view for your reference.

Thank you for your time and assistance in clarifying this matter. I appreciate your guidance.

Yours sincerely,

[Thimna Gogwana]
